

Tubes of Emotion

5 toilet roll tubes
Marker
Baking soda
400ml vinegar

1. Draw different emotions on to 5 toilet roll tubes.

2. We drew happy, OK, sad, cross, tired.

3. Carefully add 2 tbs of baking powder to each tube.

4. Choose a colour to represent each emotion and add a few drops of food colouring to each tube.

5. Carefully pour vinegar into each tube.

6. Watch as the emotions bubble up to the surface!
